Sustainability Report

Spadel

Offering the best of water and contributing to a better life; this is the mission of Brecon Carreg and the Spadel Group. We are proud to offer our outstandingly pure mineral water, rich in nature and heritage, to today's and future generations. That is why we place great importance on the definition and implementation of an ambitious sustainability strategy, for which **Spadel is recognised as a European leader**. Because opting for a quality product like Brecon Carreg is also a sustainable choice.

Responsible and sustainable choices

Sustainability is one of the strategic pillars of Spadel. To secure our position as a leader, we have developed ambitious sustainability targets across all of our brands, including Brecon Carreg, which we plan to achieve through eight platforms, linked to concrete action plans.

Awards and recognitions

- The Sustainable Development Charter is Wales' highest profile commitment to sustainable development and is a Welsh government initiative, aimed at improving the economic, social, environmental and cultural wellbeing of Wales. **Being proudly Welsh, Brecon Carreg has demonstrated its commitment to a more sustainable Wales** by signing the sustainable development charter, supporting the journey towards sustainability.

- In 2014, the Spadel Group was **awarded 'Gold' in the Ecovadis classification**. This rating defines our CSR performance around four themes (Environment, Social, Ethical and Suppliers) on a scale from 1 to 100. In its sector, Spadel ranks high on the list for each category, with a total score of 71/100, well above the industry average of 41/100. This places Spadel in the top 2% of all assessed enterprises.

- Brecon Carreg has been independently accredited by the **Ethical Company Organisation**, after a detailed study focusing on environment, animals and people. Thanks to the high score of 90 out of 100, our brand is enlisted in *The Good Shopping Guide*.

- In 2014, the Spadel Group received the 'Ruban d'honneur' (badge of honor) in the 'Environmental & Corporate Sustainability' category of the prestigious European Business Awards. This ranks **Spadel among Europe's top 10 companies** in the Sustainable Development category.
